IMPORTANT ACCOUNT INFORMATION

Please see an important message on the last page of your statement that describes how Wells Fargo posts transactions to your account.

Starting April 17, 2011, if you currently receive a separate monthly statement for this and other accounts, they may be combined if they have the same account owner(s) and same mailing address. The information you currently receive will not change - it will simply be consolidated into one easy-to-read statement to save you time when organizing your financial records. We hope you will enjoy this new convenience and "greener" approach. If you do not want your statements combined, please talk to your banker or call the number on your statement.
